SPIGEN VAULT PRO APPLE WATCH 10 11 (42 MM) MATTE BLACK

Product code: 8800283302226-ACS09390

EAN: 8800283302226

The Spigen Vault Pro strap offers solid protection, combining minimalist design with durability. Made from flexible TPU material, it provides a perfect fit and protects the watch from impacts and scratches.

Precise cutouts allow easy access to all functions, including the Digital Crown and side buttons. The matte finish gives an elegant look and prevents fingerprints. The flexible design allows for quick installation and removal, making the Spigen Vault Pro an ideal choice for those seeking reliable protection without compromising on style and functionality.
