SPIGEN LIQUID AIR PRO APPLE WATCH 10 11 (46 MM) MATTE BLACK

Product code: 8800283301427-ACS09317

EAN: 8800283301427

The Spigen Liquid Air Pro strap is a modern solution that combines style and functionality. The integrated design with the case provides 360° protection – the watch is secured from all sides, including through the protective cover of the side button.

Precise cutouts guarantee full access to the Digital Crown and ventilation holes, which translates to full functionality and user comfort. The strap is equipped with a practical pin-and-tuck closure that ensures a stable and comfortable fit on the wrist throughout the day. The Spigen Liquid Air Pro is the perfect choice for those looking for a combination of protection, comfort, and modern design.
