

SUPCASE BLADE NINTENDO SWITCH 2 DARK

Product code: 843439157460

EAN: 843439157460

The Supcase Blade is solid protection designed for active users and intense gaming. With modern design and advanced construction, the case not only looks great but also provides full protection in any situation.

The case is made from durable materials: a combination of hard polycarbonate (PC) and flexible TPU, which effectively absorbs impacts and prevents damage from falls. Textured panels provide a secure grip, even during exciting gaming sessions. The design allows for comfortable use of the Joy-Cons – detaching them is quick and convenient, without the need to remove the case.

Additional corner reinforcements and raised edges around the screen and buttons protect the console from scratches and accidental damage. The stylish dark color and futuristic design make the case stand out from standard covers.

Blade is fully compatible with the dock and allows for convenient charging of the Nintendo Switch without removing the cover. Thanks to its thoughtful design, you can connect the console to the station or charge it directly with a cable, which is a practical solution that saves time and ensures continuous protection of the console without compromising functionality.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Lightweight composite construction
- Precisely made
- Provides high drop protection
- Well-fitted
- Fully functional
- Meets military drop-test standards
- Easy to install and remove

SET INCLUDES:

1 x Supcase Blade Case
