SZKŁO HARTOWANE ESR ULTRAFIT TEMPERED GLASS 2-PACK IPHONE 17 PRO BLACK

Product code: 4894240287767

EAN: 4894240287767

ESR UltraFit Tempered Glass is a high-quality tempered glass that provides reliable screen protection against scratches, impacts, and other mechanical damage. Made from durable materials with a hardness of 9H, it effectively safeguards the display surface without affecting its clarity or touch sensitivity.

Thanks to its ultra-thin design, the glass perfectly adheres to the screen, maintaining natural visual experiences and smooth operation. Rounded edges enhance user comfort, and a special oleophobic coating reduces fingerprints and smudges. Installation is quick and hassle-free thanks to the positioning frame and mounting accessories, ensuring a perfect fit without air bubbles.

Ideal for those seeking discreet yet effective screen protection for everyday use.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - use the positioning frame from the set for this.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- 2.5D beveled edges that feel nice to the touch
- Perfect clarity
- High-quality oleophobic layer
- Easy installation using the frame and installation kit
