Product code: 8800283310887-ACS09959

EAN: 8800283310887

Spigen Enzo Aramid "T" MagSafe is a case that combines the latest technologies and materials, providing maximum protection for your smartphone without compromising on an elegant appearance. It is made from advanced aramid fiber, known for its extraordinary durability. The precise aluminum finish not only adds a unique look but also provides additional protection against impacts and damage.

The case is designed with minimalism in mind. This product is extremely lightweight, making it feel like there is no extra weight in your pocket or hand.

The case is equipped with a ring compatible with wireless MagSafe technology. The magnetic ring ensures maximum charging efficiency and a quick and easy connection to all MagSafe-compatible accessories.

Ultra Hybrid "T" features a specially designed protective button that works seamlessly with the camera control function. The button cover is touch-sensitive, providing excellent responsiveness while maintaining full functionality.
