FOLIA OCHRONNA RINGKE DUAL EASY PRO 2-PACK GALAXY Z FOLD 7 CLEAR

Product code: 8800293855446

EAN: 8800293855446

Screen protection has never been so simple and effective thanks to the Ringke Dual Easy Film Pro. This innovative, multi-layer protective film is designed for maximum protection and ease of installation.

Thanks to the included, specially tailored installation frame, the application process of the film is quick and hassle-free, ensuring a perfect fit every time. Made from self-healing EPU film, the Dual Easy Film Pro effectively protects the screen from scratches and impacts while maintaining its original touch sensitivity.

The film is thin and lightweight enough that it does not affect the appearance or functionality while providing reliable protection.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the film as evenly as you can - you can reposition it using the installation tools.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
