

SZKŁO HARTOWANE TECH-PROTECT EASY SET+ 2-PACK IPAD AIR 11" 6 7 8 2024-2026 CLEAR

Product code: 5906302368907

EAN: 5906302368907

Tech-Protect Easy Set+ is a tempered coating for the display made of lightweight and milled glass with a thickness of 0.3mm and a hardness level of 9H. The crystal-clear glass ensures image clarity, perfect color saturation reproduction, and does not disturb touch sensitivity. Additionally, it is covered with a high-quality oleophobic coating that minimizes the amount of fingerprints or other contaminants left behind.

The protective lens cover is made of high-quality tempered glass with a hardness of 9H. Precisely cut, it provides protection against scratches and breakage.

The set includes installation accessories along with a positioning frame, making installation very easy and accessible to literally everyone.

How to check if the accessory fits your iPad?

It's simple, check the model number on the back of the device, which starts with the letter A:
This product fits: A2902, A2903, A2904, A3266, A3267, A3270.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a bath - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can position it using the positioning frame from the set.
- 4) Remove air bubbles by pressing the entire surface with circular motions for several dozen seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
