TECH-PROTECT WALLET GALAXY Z FOLD 7 BLACK

Product code: 5906302318353

EAN: 5906302318353

The Tech-Protect Wallet case is a unique accessory made entirely of eco-leather, providing not only comfort and durability but also an elegant look in a classic style.

One of the key elements of the case's interior is the integrated pockets that allow for storing credit cards and cash. You can have all the necessary documents and money always at hand, making the case a practical tool for everyday use.

The phone is mounted on a base made of TPU material, which guarantees full protection and cushioning in the event of a fall - your device is adequately protected against damage.

Additionally, the case is equipped with a magnetic closure that ensures safe and easy closure of the entire structure.
