TECH-PROTECT FLEXAIR HYBRID GALAXY Z FLIP 6 7 FE CLEAR

Product code: 5906302330614

EAN: 5906302330614

The classic, one-piece Flexair Hybrid case from Tech-Protect with a transparent finish is designed to highlight the lines and original silhouette of the device.

The hybrid construction combines rigid polycarbonate back and a durable, flexible frame around it. This ensures excellent protection against scratches and damage while maintaining a slim and lightweight design.

The perfectly fitted case closely adheres to the device, enhancing the comfort of use, and the precisely made cutouts do not limit functionality - easy access to buttons and ports. The slightly raised form around the camera and screen protects against scratches, lifting the phone just above the flat surface.
