SPIGEN RUGGED ARMOR "PRO" SAMSUNG GALAXY WATCH 8 (40 MM) MATTE BLACK

Product code: 8800283311372-ACS10005

EAN: 8800283311372

Spigen Rugged Armor Pro is a stylish, sporty strap with a built-in protective case, designed for maximum safety and user comfort. Made of flexible and durable TPU material, adorned with characteristic carbon fiber accents, it perfectly combines a modern look with functionality.

The integrated unibody construction effectively absorbs shocks, protecting the watch case from scratches and impacts, while the raised edges around the screen further secure the display. Precise cutouts guarantee full access to all functions.

Spigen Rugged Armor Pro is the perfect choice for active individuals who expect reliable protection combined with a dynamic, sporty style and complete wearing comfort.
