## TECH-PROTECT NC20W 1-PORT NETWORK CHARGER PD 20W BLACK

Product code: 5906302319039

EAN: 5906302319039

The universal NC20W network charger offers a fast and, above all, safe way to recharge energy in devices such as smartphones, portable consoles, power banks, or tablets.

Equipped with a single power port: USB-C (PD20W). The Power Delivery technology minimizes charging time by rapidly increasing the power of devices, while the protective systems safeguard the device against harmful overloads.

The accessory features an intelligent management system that adjusts the optimal voltage to the specific device. Your device will receive exactly as much power as it needs to recharge in the shortest time possible, without the simultaneous risk of battery damage.

Its extremely lightweight and compact design means it can fit in any bag, backpack, or suitcase, which means you can have it with you during every trip.
