TECH-PROTECT MAGMAT MAGSAFE IPHONE AIR BLACKCLEAR

Product code: 5906302319909

EAN: 5906302319909

Stylish and simple design along with a high level of protection are synonyms for the new Magmat MagSafe case from the Tech-Protect brand. The case is made from high-quality TPU and PC components. The flexible frame made of polyurethane material perfectly protects against shocks and falls, while the hard polycarbonate back protects your phone from scratches.

The classic, transparent finish will provide a unique look for your smartphone. The slightly raised form of the case around the camera and screen protects against damage, lifting the phone just above the flat surface.

The Magmat is also equipped with a magnetic ring compatible with the MagSafe wireless charger, ensuring fast and easy charging.
