TECH-PROTECT WALLET MAGSAFE IPHONE AIR MATTE BLACK

Product code: 5906302330386

EAN: 5906302330386

Tech-Protect Wallet Magsafe is an elegant and practical case designed specifically for smartphone users with Magsafe functionality.

Made of high-quality eco-leather, it is not only aesthetic but also durable and functional.

One of the main features of the case is its compatibility with Magsafe technology. Thanks to a special magnetic system, the case can be easily attached to various accessories, such as chargers or car mounts, which significantly facilitates the use of the phone.

Another advantage is the stand function, which allows the user to freely watch movies, participate in video calls, or browse content in landscape mode without having to hold the phone in hand. The case provides a stable support for the phone, increasing user comfort.

Additionally, it has a convenient space for documents, credit cards, or cash. This way, you can always have all the most important things with you. A practical and functional solution for those who value convenience and organization.

It is worth noting that the Tech-Protect Wallet Magsafe case is refined in every detail. The stitching adds a stylish character while also enhancing its durability. Mounted on a base made of TPU, which is a flexible yet durable material, it provides protection for the phone against accidental drops, scratches, and other damages.

The magnetic closure makes opening and closing the case quick and easy, while securely holding the phone inside.
