TECH-PROTECT NCA20 2-PORT NETWORK CHARGER PD 20W QC3.0 WHITE

Product code: 5906302319077

EAN: 5906302319077

The compact Tech-Protect NCA20 2-Port network charger is a universal solution for quickly charging two devices simultaneously. Equipped with USB-A and USB-C ports, it allows charging a wide range of electronic devices - from smartphones and tablets to wireless headphones and other mobile accessories.

The charger utilizes Fast Network Charging technology, which automatically recognizes connected devices and optimizes the charging process. The USB-C port supports Power Delivery (PD) standard and delivers power up to 20W, ensuring fast charging for modern devices, while the USB-A port with Quick Charge 3.0 technology offers reliable charging with power up to 18W.

The compact design ensures that the charger takes up minimal space at the outlet and works perfectly both at home and on the go. The sturdy construction made of high-quality materials guarantees long-lasting use, and built-in protections safeguard connected devices against overvoltage, short circuits, and overheating.
