OBSIDIAN BLACK**

Product code: 5906302330911

EAN: 5906302330911

The Tech-Protect SC Pen Canvas is a practical case with a slot for the stylus. This accessory combines comprehensive protection with stylish design.

The case is made from durable materials that provide long-lasting protection against damage. The exterior is finished with elegant fabric, giving the product an attractive appearance and a pleasant texture. Precise cutouts ensure full access to all ports and buttons of the iPad.

The main function of the case is a special holder for the Apple Pencil, which keeps the stylus securely stored and always within reach. The case can also be used as a stand, positioning the iPad in various positions - for watching movies, reading, or comfortable writing. An additional feature is the automatic sleep and wake function of the device when closing and opening the flap.

The neutral color scheme and minimalist design make the case perfect for both business environments, at university, and during everyday use, providing an ideal balance between functionality and aesthetics.

How to check if the accessory fits your iPad?

It's simple, check the model number on the back of the device, which starts with the letter A:

This product fits: A2696, A2757, A2777, A3354, A3355, A3356.
