EAN: 8809971235457

Spigen EB6020CC is a high-quality USB-C to USB-C cable with a length of 200 cm, designed for fast and safe charging as well as everyday use. It supports Power Delivery technology, providing charging power up to 60W, making it suitable for smartphones, tablets, and laptops equipped with a USB-C port.

The cable also allows data transmission at speeds up to 480 Mbps, which is sufficient for basic synchronization and file transfer. It features a durable construction using Dura Bend technology and flexible PVC, which increases resistance to bending, abrasion, and everyday wear. Its versatility makes it compatible with a wide range of devices – from smartphones and power banks to laptops of various brands.

Spigen EB6020CC is a solid choice for those looking for a reliable cable for charging and everyday use.
