TECH-PROTECT MMR600 MAGNETIC MAGSAFE PHONE RING SATIN BLACK

Product code: 5906302331789

EAN: 5906302331789

Tech-Protect MMR600 is a modern finger holder that combines convenience, functionality, and full compatibility with MagSafe technology. Made from high-quality materials, it securely attaches to the back of the phone or MagSafe case, ensuring a firm grip and comfort during daily use.

Equipped with a 360° rotating ring and an adjustable tilt angle ranging from 0–145°, the MMR600 easily serves as both a finger holder and a practical stand. This allows the smartphone to be positioned perfectly for watching movies, making video calls, or working in both horizontal and vertical modes.

The slim and minimalist design ensures that the holder not only complements the modern design of the phone perfectly. Tech-Protect MMR600 is a functional and elegant solution for those who value comfort, style, and reliability in one accessory.
