## SPIGEN EA3020 POWER BANK 20000MAH 30W BLACK

Product code: 8800283302653-ABA09433

EAN: 8800283302653

Spigen EA3020 is an efficient power bank with a capacity of 20000 mAh and a power of 30 W, providing reliable and fast charging for multiple devices simultaneously. Equipped with two USB-C ports and one USB-A port, it supports both modern and classic mobile devices. Thanks to Quantum Boost technology, it intelligently adjusts the charging parameters to the connected device, ensuring optimal speed and safety of power supply.

Built-in protection systems include overcharge prevention, temperature control, voltage and current adjustment, and protection against excessive battery discharge, ensuring stable and long-lasting operation. The solid casing in an elegant color protects the interior of the device, and the compact design for this capacity (approx. 150 × 75 × 23 mm, 468 g) makes the EA3020 a practical solution both for travel and everyday use.

This is the ideal choice for demanding users who expect high capacity, high power, and a full set of protections in one device.
