TECH-PROTECT SILICONE HOOK SAMSUNG GALAXY BUDS 3 3 FE 3 PRO LAVENDER

Product code: 5906302333769

EAN: 5906302333769

The Tech-Protect Silicone Hook case is a functional and stylish accessory that provides comprehensive protection for your headphones in any situation. Made from high-quality, flexible silicone, it effectively protects the device from scratches, dirt, and the effects of everyday drops. The material is pleasant to the touch, resistant to damage, and easy to clean, ensuring long-lasting use without losing its aesthetic appearance.

The precisely fitted design ensures that the case perfectly adheres to the headphone housing while not restricting access to ports and buttons. The minimalist design combines simplicity with elegance, making the accessory a perfect match for any style.

An additional advantage is the practical carabiner, which increases the functionality of the case. With it, you can conveniently attach your headphones to a bag, backpack, keychain, or pants loop, minimizing the risk of accidental loss or drop. This is the ideal solution for those who value convenience, safety, and modern design.
