SZKŁO HARTOWANE TECH-PROTECT GLASS FIT+ 2-PACK XIAOMI REDMI 15C 5G POCO C85 5G BLACK

Product code: 5906302335220

EAN: 5906302335220

Tech-Protect Glass Fit+ tempered glass is a high-quality protective accessory made from lightweight and precisely milled glass with a thickness of only 0.3mm.

The perfectly fitted design fully retains the sensitivity of the touchscreen. The manufacturer rates its hardness level at 9H on a ten-point scale, which translates to exceptional resistance to scratches during everyday use.

The glass features crystal clarity, preserving natural colors and sharpness of the display. An additional advantage is the special oleophobic coating, which effectively minimizes the accumulation of fingerprints and other contaminants on the glass surface, making it easier to keep clean.

* The glass is compatible with most cases available on the market.

** Due to the various edge milling of displays, a delicate air halo may form around the screen after installing the protective film/glass! This is a natural situation and depends on the milling of the screen in that particular unit.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - you can position it using two small pieces of tape, sticking them to the side of the device.
- 4) Remove air bubbles by firmly pressing the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
