TECH-PROTECT SMART WALLET GALAXY A26 5G A17 4G 5G MATTE BLACK

Product code: 5906302332564

EAN: 5906302332564

The Tech-Protect Smart Wallet is an elegant and functional case that combines a stylish appearance with a high level of smartphone protection. Made from durable materials, it protects the device from scratches, impacts, and everyday damage. It features a built-in pocket for cards or banknotes, making it a perfect replacement for a traditional wallet.

Thanks to the practical window on the front flap, the user has quick access to the time, date, and notifications without the need to open the case. Precise cutouts allow for easy use of buttons, ports, and the camera. The slim design ensures that the case fits perfectly in the hand and does not significantly bulk up the phone, making it an excellent choice for everyday use.

INSTRUCTION:

1. Download the app. Scan the QR code in the instructions, then download and install the app in your browser.
2. Configure the app. After installing the software, open the app (APP), activate it, and configure it according to the instructions displayed on the screen.
