TECH-PROTECT ULTRABOOST TWS EARPHONE CORE G2 BLACK

Product code: 5906302332304

EAN: 5906302332304

Meet the Tech-Protect UltraBoost TWS Earphone Core G2 – lightweight, wireless headphones designed for everyday comfort and excellent sound. With 13 mm PEK drivers and a frequency range of 20 Hz – 20 kHz, every note sounds clear and natural, while Bluetooth 5.4 ensures a fast and stable connection to your smartphone, tablet, or other device.

Listen to music for up to 2 hours on a single charge. The 300 mAh battery case allows for multiple recharges on the go, so you don't have to worry about running out of power. Intuitive touch controls make it easy to play and pause music, change tracks, adjust volume, and use Siri without reaching for your phone.

The LED display in the case shows the current charge level of the headphones and battery, so you always know when it's time to recharge.

Made from lightweight and durable ABS, the headphones are comfortable, compact, and ready to use in any situation – perfect for everyday music listening, making calls, and an active lifestyle.
