TECH-PROTECT LAMANO MAGSAFE IPHONE 17 PRO MAX PANTHER

Product code: 5906302333370

EAN: 5906302333370

The Tech-Protect Lamano MagSafe case is a stylish and functional accessory made from high-quality PC material, effectively protecting the phone from scratches and damage. Equipped with a raised frame around the lens, it provides excellent protection for the camera against scratches and accidental impacts.

This case has an edge that attracts attention with its modern design and character – perfect for women who value elegance combined with a touch of a fierce style. The slim and lightweight construction perfectly fits the shape of the phone, ensuring a comfortable grip and ease of daily use.

Thanks to full compatibility with MagSafe technology, the case allows for quick and convenient wireless charging and hassle-free use of magnetic accessories. The Tech-Protect Lamano MagSafe is not just protection, but also a fashionable accessory that makes a great gift for those who like to stand out with style.
