

TECH-PROTECT C6S ROPE CROSSBODY COSMIC ORANGE

Product code: 5906302334841

EAN: 5906302334841

The Tech-Protect C6S 2-in-1 lanyard is a versatile accessory designed for safely carrying your phone. The set consists of an adjustable neck strap and a shorter wrist strap, both in a stylish matching color. The lanyard features detachable clips, allowing for quick switching between carrying options.

The set also includes a special mounting insert that is placed between the case and the phone, creating a solid anchor point for the lanyard. This is the perfect solution for those who value convenience and functionality in a stylish package.

The C6S can serve as a stylish phone lanyard, but it also works great as an accessory for keys or a backpack, adding a modern look to the whole.

*The set includes two adapters (one in the color of the cord, the other transparent).
