TECH-PROTECT TA100 TRAVEL ADAPTER UK TO EU WHITE

Product code: 5906302368525

EAN: 5906302368525

Tech-Protect TA100 is a compact and reliable adapter that allows you to connect devices with EU plugs to UK sockets. Made from durable materials, it provides stable and safe power up to 2500 W, supporting an input voltage of 100–250 V and a frequency of 50–60 Hz.

The adapter is equipped with two charging ports – USB-A and USB-C – with a total output of 5 V / 2.4 A, enabling fast charging of smartphones, tablets, and other mobile devices. Thanks to its compact size and lightweight design, it is perfect for travel, and built-in overload and short-circuit protections guarantee complete safety of use.

Tech-Protect TA100 is a practical and elegant solution for travelers from Europe to the UK, ensuring convenient use of European devices in British sockets.
