Product code: 5906302334193

EAN: 5906302334193

Stylish and simple design along with a high level of protection are synonyms for the new Magmat MagSafe case from Tech-Protect. The case is made from high-quality TPU and PC components. The flexible frame made of polyurethane perfectly protects against shocks and falls, while the hard polycarbonate back protects your phone from scratches.

The classic, transparent finish will give your smartphone a unique look.

The slightly raised form of the case around the camera and screen protects against damage, lifting the phone just above flat surfaces.

The Magmat is also equipped with a magnetic ring compatible with the MagSafe wireless charger, ensuring fast and easy charging.
