Product code: 5906302333899

EAN: 5906302333899

Stylish and simple design along with a high level of protection are synonyms for the new Magmat MagSafe case from Tech-Protect. The case is made from high-quality TPU and PC components. The flexible frame made of polyurethane material perfectly protects against shocks and falls, while the hard polycarbonate back protects your phone from scratches.

The classic, transparent finish will give your smartphone a unique look.

The slightly raised form of the case around the camera and screen protects against damage, lifting the phone just above the flat surface.

The Magmat is also equipped with a magnetic ring compatible with the MagSafe wireless charger, providing fast and easy charging.
