SPIGEN NANO POP HYBRID MAG MAGSAFE IPHONE 17 PRO BLUEBERRY NAVY

Product code: 8800337242812-ACS11149

EAN: 8800337242812

The Spigen Nano Pop Hybrid Mag MagSafe case is an advanced protective proposal dedicated to the latest smartphones, combining modern design with high functionality. The construction made of PC and flexible, pleasant-to-touch silicone ensures a precise fit to the device while minimizing dust and dirt adhesion. The two-tone, contrasting style gives the product a dynamic, distinctive appearance, and the raised camera frame effectively protects the lenses from scratches.

The built-in MagSafe module guarantees secure, precise connection with compatible accessories and full convenience during charging. The case meets military drop-test standards, providing a high level of protection while maintaining a slim profile and user comfort.

Spigen Nano Pop Hybrid Mag MagSafe is premium class protection, combining elegance, durability, and modern technologies in one cohesive design.
