Product code: 8800283316391-ACS10507

EAN: 8800283316391

Spigen Rugged Armor Pro is a stylish, sporty strap with a built-in protective case, designed for maximum safety and user comfort. Made from flexible and durable TPU, adorned with characteristic carbon fiber accents, it perfectly combines a modern look with functionality.

The integrated unibody construction effectively absorbs shocks, protecting the watch case from scratches and impacts, while the raised edges around the screen additionally safeguard the display. Precise cutouts guarantee full access to all functions.

Spigen Rugged Armor Pro is the ideal choice for active individuals who expect reliable protection combined with a dynamic, sporty style and complete wearing comfort.
