SPIGEN ESSENTIAL EE352EU 2-PORT NETWORK CHARGER 35W BLACK

Product code: 8800283302974-ACH09463

EAN: 8800283302974

Spigen Essential EE352EU is a compact, efficient GaN Pro wall charger designed for fast and safe charging of two devices simultaneously. With two ports – USB-C 35W and USB-A 18W – it allows flexible powering of smartphones, tablets, earbuds, or other accessories, providing optimal power for each connected device.

The Quantum Boost technology automatically adjusts the charging power to the connected equipment, maximizing its efficiency. Built-in Overcharge Prevention, Voltage Matching, and Voltage Regulation features protect devices from overcharging, excessive voltage, and unstable current, ensuring safe and stable charging in all conditions.

Thanks to GaN Pro technology (gallium nitride), the charger achieves high efficiency while maintaining compact size and low weight, making it convenient for travel and everyday use.

The compact design makes Spigen EE352EU easy to carry – ideal for home, office, or travel. It is an excellent solution for those who need a fast, smart, and safe power source for their devices without compromising on convenience and performance.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Compatible with smartphones, tablets
- Made from durable materials
- Compatible with iOS, Android
- Smart charging
- Compact size
- Input voltage range: 100–240V~50/60Hz, 0.8A
- Output parameters: USB-C 5V/3A, 9V/3A, 12V/2.92A, 15V/2.33A, 20V/1.75A PPS 5V-11V/3A 35W Max
- Output parameters: USB-A 3.6-6.5V/3A, 6.5-9V/2A, 9-12V/1.5A 19.5W Max
- Output parameters: USB-A + USB-C 5V/3A 15W Max
- Dimensions: 31 x 32 x 41 mm

- Weight 60g

PACKAGE INCLUDES:

1 x Spigen Essential EE352EU Wall Charger
