

## SPIGEN ESSENTIAL EE202EU 2-PORT NETWORK CHARGER 20W WHITE

Product code: 8809971235297-ACH08704

EAN: 8809971235297

Spigen Essential EE202EU is a compact, efficient GaN Pro wall charger designed for fast and safe charging of two devices simultaneously. Equipped with USB-C 20W and USB-A 18W ports, it allows for powering smartphones, tablets, headphones, or other accessories at the same time, providing optimal power for each connected device.

Thanks to Quantum Boost technology, the charger automatically adjusts the power to the connected equipment, maximizing efficiency and reducing charging time. Built-in features such as Overcharge Prevention, Voltage Matching, and Voltage Regulation protect devices from overcharging, unstable voltage, and excessive current, ensuring safe and stable charging in all conditions.

GaN Pro technology (gallium nitride) allows for a reduction in the size of the charger while maintaining high efficiency and energy effectiveness, making the charger not only fast but also exceptionally compact and lightweight.

The compact design makes the Spigen EE202EU easy to carry – ideal for home, office, or travel. It is a practical and reliable solution for those who need a fast, smart, and safe power source for their devices.

### **PRODUCT FEATURES:**

- 100% Original
- Packed in original packaging
- Compatible with smartphones, tablets
- Made from durable materials
- Compatible with iOS, Android
- Smart charging
- Compact size
- Input voltage range: 100–240V~50/60Hz, 0.6A
- Output specifications USB-C: 5V/3A, 9V/2.22A, 12V/1.67A 20W Max
- Output specifications USB-A: 5V/3A, 9V/2A, 12V/1.5A 18W Max
- Output specifications USB-A + USB-C: 5V/3A 15W Max
- Dimensions: 28 x 39 x 44 mm

- Weight 53g

**PACKAGE INCLUDES:**

1 x Spigen Essential EE202EU wall charger
