SZKŁO HARTOWANE TECH-PROTECT BUNDLE 10-PACK IPHONE 16 PRO MAX 17 PRO MAX CLEAR

Product code: 5906302335732

EAN: 5906302335732

The Tech-Protect Tempered Glass Bundle 10-Pack is a comprehensive set of high-quality screen protectors designed for users who expect maximum protection and reliability in their daily use. Each glass in the set is made from durable, tempered material with a hardness of 9H, effectively protecting the device's screen from scratches, impacts, and damage resulting from intensive use.

The ultra-thin design ensures full transparency and does not affect touch sensitivity, guaranteeing smooth, natural use of the smartphone. Thanks to precise cutting and perfect fitting, the glass adheres perfectly to the screen, while the oleophobic coating minimizes fingerprints and smudges.

The 10-piece set is an economical and convenient solution for those who own multiple devices, as well as for those who want to have spare protectors always on hand. It is also a great offer for service centers and GSM accessory sellers.

* Due to the various edge milling of displays, after installing the protective film/glass on the screen, a delicate air halo may form around the screen! This is a natural situation and depends on the milling of the screen in a given unit.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can position it using two small pieces of paper, sticking them to the side of the device.
- 4) Remove air bubbles by pressing the entire surface with circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
