SPIGEN EB24012CC ESSENTIAL TYPE-C CABLE 240W 120CM BLACK

Product code: 8800283302950-ACA09461

EAN: 8800283302950

Spigen Essential EB24012CC is a high-quality charging and data transfer cable designed for the most demanding devices with a USB-C port — from smartphones and tablets to laptops. The cable supports Power Delivery charging up to 240 W, allowing for fast and stable charging of power-hungry devices.

Data transfer occurs at speeds of up to 40 Gb/s (USB4 / USB4 Gen3 standard) — perfect for quick synchronization, file copying, and connecting to high-performance devices.

With support for Thunderbolt 3/4 standards, the cable also handles demanding tasks — it supports video transmission in 8K resolution (single) / 4K (dual) using DisplayPort 2.0, making it an excellent choice for connecting monitors, laptops, or docking stations.

The cable's construction ensures exceptional durability: flexible TPE material, solid PVC shielding, and reinforced connectors. The cable has passed durability tests with over 10,000 bends (Durabend technology), translating to a long lifespan even with intensive use.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Precisely made
- Power Delivery technology
- Fast charging function
- Durabend technology
- Features a durable construction
- Connectors with E-Marker chip
- Connector standard: USB-C / USB-C
- USB4 / USB4 Gen 3 up to 40 Gb/s
- Length: 120 cm

PACKAGE INCLUDES:

1 x Spigen EB24012CC Cable
