SPIGEN MAG ARMOR MAGSAFE IPHONE 15 MATTE BLACK

Product code: 8809896751360-ACS06815

EAN: 8809896751360

Mag Armor MagSafe by Spigen is a case made of TPU material, ensuring its durability and resistance to damage. Thanks to the Air Cushion technology used, it provides protection against destruction by cushioning the device during a fall. The matte finish of the case prevents fingerprints and guarantees a secure grip without the risk of the device slipping from your hand.

The case is equipped with a magnetic ring compatible with the mounting system and MagSafe wireless charging, providing quick and easy use of Apple technology.

The slightly raised form around the camera and screen protects it from scratches, lifting the phone just above the flat surface.

This product is ideal for minimalists who value the natural slimness of the device.
